

Hosting a wedding in Clearwater!

Congratulations on your engagement and welcome to the world of wedding planning! Clearwater is a stunning place to say "I do"! From a big formal gala, to an intimate elopement, at the base of a waterfall, on the top of a mountain, by the river edge or on the lakeside; There are many natural features to showcase your adventurous side or calm backdrops to relax by as you start this next adventure together.

Clearwater is an easy getaway for your wedding weekend; Not far from Kamloops, a scenic drive from Vancouver, or a stop on on your trip through the Rocky Mountains to Calgary. Have some fun with your friends and family on a rafting trip the day before your wedding, and a waterfall tour (paired with a float on the lake) to relax the day after.
